I understand and acknowledge the following:

1. If the number of applications for the grade level and school building referenced above is less than the number of available seats for that grade level in the school building, the nonresident student listed above will be accepted for enrollment and attendance at the school district for the next school year, and will be permitted to continue enrollment and attendance in the district, unless such student is no longer deemed by district administration to be in good standing.
2. If the number of applications for a grade level in a school building referenced above is greater than the number of available seats for the grade level in the school building, district administration shall accept students based on priority enrollment status first. If capacity remains after accepting priority enrollment students, the administration will randomly select nonresident student applicants for enrollment using a confidential lottery process that will be completed on or before July 15 of each year.
3. If the nonresident student named above is not accepted for or denied enrollment, the district will provide to the parent or person acting as a parent of the nonresident student the reason for the nonacceptance or denial and an explanation of the nonresident student selection process.
4. The district, by virtue of being a receiving school district of a nonresident student, shall not be required to provide transportation to nonresident students unless otherwise required to do so by state and/or federal law.
5. If admitted to attend school in the district, the above-named nonresident student shall not be exempt from the requirements of the Kansas State High School Activities Association (“KSHSAA”) or USD 249 student policies regarding eligibility to participate in KSHSAA activities.
6. Providing false information on this application will result in disqualification from nonresident enrollment eligibility.
7. Out of district applications are approved for one academic year at most and the USD 249 administration reserves the right to terminate any approved application at the end of the school year for problems relating to student discipline, attendance or academic achievement.
